PARENT/GUARDIAN CERTIFICATION

NOTE:

This certification is instrumental in determining continued eligibility for survivor benefits.

In order to determine if payment of a survivor's benefit can continue during the **summer months** for a child (children) who has attained age 18 but not yet 24, who remains unmarried and has been enrolled in school on a full-time basis, we need to be informed of the child's plans for school attendance when the fall semester begins.

Please mark the situation that applies and return the completed form so that your June benefit can be determined. In order to receive the June benefit (if entitled), this certification must be received prior to June 20.
